

Public Events Run by FIRST Teams

As a service to our teams, and to anyone who might like to find out more about The Competition, we are proud to list FIRST-related events put on by our teams as long as they are open to the general public. If you are a team member and wish to have an upcoming event listed here, please send email with the relevant details to webmaster@usfirst.org.

List of Team Sponsored Events:

- April 28th, 1997 7-9 PM - Technology Night at North Brunswick Township High School, North Brunswick N.J.

The NBTHS New Generaiders as well as a number of technology based industries from the Central Jersey will hold a fair demonstrating some innovative uses of modern technology. The New Generaiders' "Silver Eagle" robot will be serving refreshments (a demotion for less than stellar performance in the J&J Mid Atlantic Regionals) and a number of "fun" events are planned.

We invite all FIRST teams who wish to come out. For more information call Beverly Nemeth at (908)821-8200 or E-Mail the team from our website at:
<http://web.archive.org/web/19970412041101/http://198.161.100.99/webxinc/robotics/>

- July 18th, 1997 - Rumble at the Rock II on the waterfront in Historic Plymouth, MA.

Another chance to run the machines you all worked so hard to build. Also another chance to show the event off to the admiring public.....

Come by boat, plane, bus, car or if you have one....helicopter..for one day of robotic fun. If you are interested E-mail Mike Bastoni at myke1952@aol and he will send you an information packet. Overnight arrangements are easy to make as the event will be held directly across the street from the Plymouth Sheraton.
