Tippecanoe & Perry Too!

After more than 70 qualifying matches at the Perry Meridian District Tournament in Indianapolis last weekend, the TechnoKats were selected as a "second round pick" during alliance selections and joined the Kil-A-Bytes from Indianapolis and Harrison Boiler Robotics from Lafayette - the same "Dream Team" alliance they played with two weeks ago - in the "elite eight" play-off matches. The three teams battled their way through the brackets to the finals, winning the Championship after 7 matches!

During the competition, the alliance set a new state record score of 201 points in a single match! TechnoKats are currently ranked the number 7 team in the state. Come cheer on the team April 15-16 and Memorial Gym in Kokomo as they host and compete at the State Championship Tournament.

Alumni News

Congratulations to 2014 team alumni Kija Davis who was recently elected president of the Purdue FIRST Program!
